3. Child Psychology by Enayatullah
   5 periods per week in each group

4. The teaching method of Pushto by Enayatullah
   5 periods per week in each group

   5 periods per week in each group

Every day with the exception of Friday the classes were from 2:00 p.m up to 5:50 p.m having 6 teaching period and 15 minutes for tea break after 3 periods.

During the first part of this seminar the best teaching method for the subjects of the primary schools, the steps of teaching, and the teaching aid materials needed were explained by the P.M.T supervisors.

The use of the feltboard as the best teaching aid was taught to the teachers along with other materials.

At this stage since the teachers knew the subject thought in the primary schools, learned the methodology, teaching steps and the use of the teaching aid materials, the trainers gave model lessons in the subjects of language, Islamiat, and mathematics. In the model lesson the use of the information given to the trainees were shown to them to them practically. The trainers at this stage answered all the questions of the trainees related to the principles of good teaching and teaching skills.

During the last five days of the seminar the trainees were asked to give model lessons using all the written information and practical information given to them by the trainers. At the end of each model lesson the trainers and the trainees were evaluating the model lesson given by each trainee. The strong and weak points were discussed during this period for the correction of teaching procedure and steps. Each teacher under the guidance of P.M.T supervisors prepared a set of teaching aid materials from the materials provided for them by the department of education of SAB. Also they were encouraged to prepare aid materials from cheap and costless things locally.

Since such seminar for the teachers of the political parties was new they were attending it eagerly to up grade their teaching skills which was very low. They were active in making the charts, famel board, flash cart and other locally made aid materials.

From day to day one was able to see the improvement in skills of the teachers under training. The post seminar evaluation and the evaluation by Ahmadi and the trainers showed clearly this improvement.

On June 30, 1992 the seminar ended with a simple graduation ceremony in the some primary school where the seminar took place. The ceremony as usual started with the recitation of verses from Holi-Quran by Qari M.Aref one of the participants of the seminar. After that Amir M.Ahmadi explained the objectives of SAB to the audience in training Afghan teachers. He congratulated the teachers upon the successful completion of the course and asked the teachers to use what they learned at the service of Afghan children to be educated properly. After Ahmadi one of the participant of the seminar M. Safar on behave of his colleague appreciated the materials of the training and the hard work of the P.M.T supervisors during the seminar.

At this point the certificates were distributed by Ahmadi and the trainers.

Present at the ceremony were SAB staff, elders of the community, and the participants of the seminar. At the end the prayer was read for peace in Afghanistan and all over the world.

With best regard

Amir M. Ahmadi

Bajaur P.M.T
Narrative progress report of the seminar in Chakdara for 40 political parties teachers
June 14, 1992 - June 30,1992

Chakdara camps are located in the district of Dir belonging to our sub-office of SAB of Bajaur. Upon the repeated requests of the different political parties to train their teachers the copies of which are in the report we included a seminar for 40 political parties, teachers in June 1992 to be held in Chakdara where we had a seminar for 40 CAR school teachers. Before starting the seminar Bajaur P.M.T was sent to the schools of each political party so that based on the number of schools and teachers the recr uitment should be done. This process with the cooperation of the authorities responsible for education of each party was done successfully and the participants for the seminar were selected according to the statistics of untrained teachers of each party.

As a result there were 40 teachers recruited out of which:

- 20 Teachers were for Jumat-Dawat-Quran
- 7 Teachers for Jumat Islami
- 5 Teachers from Hezeb-Islami Khalis
- 3 Teachers from Hezeb-Islami Hekmatyar

The above teachers were selected from 10 schools having 99 teachers.

The time to start the seminar was arranged to be June 14, 1992 in one of the schools of Hezebi Islami of Khalis in Chakdara.

As usual the seminar started with the recitation of Holi-Quran by Mulawi M.Wali one of the participants of the seminar in the afternoon because in the morning the teachers were teaching in their schools.

After the recitation A.Haq the chairman of the seminar introduced the organization, Bajaur P.M.T supervisors, and the purpose of the seminar. Also the teachers were given a Pre-seminar test to know about their standard and group them homogeniouslly into A and B.
